

Admissions Policy 2018

Written by:	Admissions Committee
Approved by:	Governing Body
Date:	Autumn 2017
Next review date:	Autumn 2019

The March Church of England Primary School has a vibrant Christian ethos. We value each child as God's unique creation and encourage them to develop their gifts into talents through our creative curriculum. We have historic links with the parishes of St Andrew's in Oving and St Peter's in Westhampnett and try to live out our Mission Statement each day.

Because of these links we give equal priority to children from our two catchment villages – Westhampnett and Oving. This is reflected in our oversubscription criteria. We give priority based on distance from **either** the March CE Primary School or St Andrew's Parish Church in Oving, whichever is closer.

The Governing Body is the Admissions authority of the March Church of England Primary School.

How do I apply?

☐ Complete the on-line form on the West Sussex County Council website by the application deadline.

- If you are supplying a church reference to support your application, please follow the above procedure then complete the church reference form available from the school office.

☐ The church reference form should be submitted to the school office before the application deadline. !

☐ If the church reference form is not supplied at the time of application this will affect the priority that the school is able to give the applicant. !

☐ Applicants will be notified of their allocated school by the County Council.

Oversubscription Criteria

The Admissions Committee of the Governing Body will not discriminate against those who have not listed The March as their first preference of school. !

The following criteria apply: !

1. 'Looked after children' or adopted children who were previously looked after. A 'looked after child' is a child who is in the care of a local authority or provided with accommodation by that authority.

2. Sibling: where the applicant has a sibling who will both be on roll in the forthcoming academic year and who lives permanently in the same household. (A sibling is a full, half or step brother or sister living permanently in the same household, including an adoptive or foster brother or sister.)
3. Families who live in our catchment area and who regularly and verifiably attend at least once a month for at least one year preceding date of application at the Parish Churches of St Peter's Westhampnett or St Andrew's Oving. Circumstances such as family relocation will be taken into consideration. Applications will need to be supported by church references, arranged by the family applying and to be submitted before the closing date.
4. Families living in our catchment area. (A map of our catchment area and boundary is attached to this policy)
5. Families living outside our catchment area and regularly and verifiably attend at least once a month for at least one year preceding the date of application at another Christian Church (being a full member of Churches Together in Britain and Ireland or of the Evangelical Alliance). This includes families attending St Peter's or St Andrew's who do not live in the catchment area. Circumstances such as family relocation will be taken into consideration. Applications will need to be supported by church references, arranged by the family themselves and to be submitted before the closing date.
6. Other children.

Oversubscription in categories 3 and 4 will be settled by relative proximity from the home address to the school **or** St Andrew's Parish Church, Oving, whichever is shorter. The shortest distance by straight line, using Post Code address data from a central point in each building, will receive priority.

Oversubscription in categories 5 and 6 will be settled by relative proximity from the home address to the school. The shortest distance by straight line will receive priority.

Parents applying under categories 3 or 5 must complete a church reference form (available from school) giving the name of the church leader to verify that the requirements of this particular category have been met and ensure

That the form is returned to the school by the closing date.

There is a right of appeal to an independent panel against a decision of the governors. Parents wishing to exercise this right should write to the clerk of the governors c/o the school within 20 school days of receiving notice.

Children refused a place, at their parents' request can be put on a waiting list where priorities will also be determined by the admissions criteria set out above. Children are kept on this list for a maximum of 12 months. **Parents need to contact the school after 12 months if they wish their child to remain on the list.**

Parents applying under categories 3 or 5 must complete a church reference form (available from school) which requires a section to be completed by the church leader. This form must be returned to the school by the closing date.

N.B. Reference to parents includes legal guardians and applies to either or both parents, or a sole parent. Where only one parent/guardian satisfies a criterion, the application will be treated equally with one where the requirement is met by two parents.
