## INSTRUCTIONS FOR PAGE 1

- 1) Print 1 page for each toy. If making both toys print 2. A heavy paper works best. I used a matte presentation paper.
- 2) With scissors cut out box all around outside of box sides, lid, bottom and tabs. Do not cut into design.
- 3) Fold all tabs along box edges down.
- 4) Fold box between all box sides, lid, and bottom down.
- 5) Tab A- Put glue on side of tab that says Tab A and glue to inside of box bottom.
- 6) Then repeat this step with tabs B and C.
- 7) Tab D- Put glue on side of tab that says Tab D and glue to inside of adjacent box side.
