Headteacher : Mrs Nicky Metcalfe

Thursday 12th October 2017

Dear Parents,

Next half term, children have the exciting opportunity to experience the Astronomy Roadshow, who will be visiting school with a mobile planetarium which will fill the school hall and give children a great opportunity to extend their learning about the planets, stars, constellations and galaxies.

This will take place on Tuesday 31 October and is for Years 2 and 5 as their Stunning Starts to their topics.

The cost is £4.50 per child for the show, which lasts between 40 and 60 minutes. If you are happy for your child to participate, please pay on Parent Pay prior to the 31-10-17. This guarantees us a cheaper rate, which we have passed on to you.

Yours sincerely,

Mr Steve Jackson
Deputy Headteacher
