

Parents Forum Meeting

Wednesday 22 November 2017

Agenda

Parking at The March School.

Presentation from Mr Andrew Ball: Rolls Royce Motor Cars

*Date of next Drop in meeting: Wednesday 17 January
2:30-3:30 pm*

Minutes:

Andrew discussed the proposals for the new car park off Claypit Lane, which are currently at the planning stage and also took suggestions from those parents who attended. The car park will have 40 spaces which is ample for the number of cars that are illegally parked during pick up and drop off at present. The suggestions included:

- Signage on Stane Street that there is a Primary School on Claypit Lane
- Could the heavy plant traffic and works be completed during the school holidays in 2018?
- Could the new car park have speed bumps to keep cars at the appropriate speed?
