

The March CE Primary School

Faith Council

The purpose of our Faith Council:

- A way of experiencing religious education and collective worship as a genuine partnership between staff and children
- An opportunity for children to develop important life skills through initiating projects and solving problems
- Evidence of a sincere respect for our school's Christian values through the children's views
- A means of developing a deeper understanding of our school vision and values

Key principles of our Faith Council:

- Develop the values of trust, compassion, growth, love, community, learning, peace, belief and forgiveness
- Give children the opportunity to work thoughtfully and fairly as a group with children from across key stages to develop their own vision of religious education and collective worship
- Give all children a means to express their views on collective worship and the teaching of religious education
- Give children an opportunity to have an input on collective worship and religious experiences such as Prayer Week
