

ACCESSIBILITY Policy

Written : Summer 2020
Review : Summer 2022

Background

1. Under the Equality Act 2010, schools should have an Accessibility Action Plan. The Act replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation". According to the Equality Act 2010 a person has a disability if:
 - (a) He or she has a physical or mental impairment, and
 - (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.
2. The Accessibility Action Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. The 2020 -2022 accessibility action plan will be appended to this document.

2. School Ethos

1. March C.E School will preserve and develop its Christian character in accordance with the principles of the Church at the parish and diocesan level.
2. The school aims to serve its community by providing education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning of faith and promotes Christian and British values through the experience it offers pupils.
3. The ethos of the school promotes the spiritual, moral, cultural, emotional, social and academic progress of every child. We strive for a safe, secure and positive learning environment, in which all learners can thrive.

3. Purpose of Plan

1. This plan shows how March C.E School intends, over time, to increase the accessibility of our school for disabled pupils, staff, parents/carers and visitors. Schools are required to produce and publish an accessibility plan as part of their commitment from the Equality Act 2010.

2. A person has a disability if he/she has a physical or mental impairment that has a substantial and long-term adverse effect on his/her ability to carry out normal day-to-day activities.

4. Areas of planning responsibilities

1. Increasing access for disabled pupils to the school curriculum (this includes teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits).
2. Improving access to the physical environment of schools (this includes improvements to the physical environment of the school and physical aids to access education).

5. School values

1. As a school, The March CE Primary is very inclusive and seeks that every child and member of the school community can access the full wealth of experience that our school's provision can offer. Our values and aims reflects our commitment to ensuring a high quality education for all backed by our own strong moral purpose.

6. Development of the plan

1. Our plan has been written with the whole school community in mind and takes account of evidence sourced from children, parents, community, staff, Governors and external agencies. The plan will be shared via our school website and will be monitored on a termly basis by the Headteacher and Governors.
2. Adherence to this plan will be expected in all areas of school life regardless of any subject or area in consideration and training will be provided for staff in any key areas deemed appropriate by the SENDCO, Headteacher and Governors.

3. Advice and Support

1. In implementing this plan both internal knowledge and skills and external ones will be utilised to bring about the best results. We have strong links with a range of external agencies and work in partnership with them to meet the needs of our school community. Should there be any complaints or concerns regarding this plan these should be addressed initially to the Headteacher if informal or for formal complaints via the agreed complaints procedure which is available via the school website.
