Introduction

These admission arrangements are based on:

- The school admissions code 2021
- The school admission appeals code 2012

The school is required by its funding agreement to comply with these codes and with the law relating to admissions as set out in the Schools Standards and Framework Act, 1988.

The arrangements for admissions comply with the trust's funding agreement and articles of association.

The March is a Church of England primary school in the Diocese of Chichester Academy Trust (DCAT). The trust is the admission authority for the school, responsible for all decisions in connection with admitting pupils and for the review and publication of admission arrangements which explain how the admissions process will be applied. The responsibility for admissions are delegated by the trust to the local governing body (LGB) of the school according to the scheme of delegation between the trust and the school local board.

The March Church of England Primary school is an inclusive school with a vibrant Christian ethos that welcomes children from all backgrounds, faiths and abilities. We value each child as God's unique creation and encourage them to develop their gifts into talents through our creative curriculum. We have historic links with the parishes of St Andrew's in Oving and St Peter's in Westhampnett and try to live out our Mission Statement each day. It is expected that all parents/carers making applications for a place for their child will actively support the Christian ethos of the school.

Because of these links we give equal priority to children from our two villages – Westhampnett and Oving.

Published admission Number

The school has a published admission number (PAN) of 30.

Statutory documents

School Admissions Code:

<https://www.gov.uk/government/publications/school-admissions-code--2>

School Admission Appeals Code:

<https://www.gov.uk/government/publications/school-admissions-appeals-code>

Education health and Care Plan (EHCP)

A place will be provided for a child who has an Education Health and Care Plan (EHCP) (agreed at the time of application, which names The March as the education provider. This place will be allocated within the Published Admission Number (PAN) before the consideration of any other applications, or above the PAN if places have already been offered at that time.

If a child is the subject of an Education Health and Care Plan, which names a particular school, his/her parents should consult the local authority that issued the EHCP before applying for the child to change

school.

When the school receives more applications than there are places available, we will admit pupils according to the following criteria, which are listed in order of priority below:

Oversubscription Criteria

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Exceptional social or medical need. The trust defines serious medical and social needs as any social need or serious medical condition which can only be met by attendance at The March school, such as loss of a parent, carer responsibilities, disability of parent or child impacting on travel to school. Supporting evidence, from professionals independent of the family, must be provided which provided a reasoned and unequivocal opinion that the child would suffer a significant detriment specifically by not being admitted to the school.
3. Children who have a sibling who will be on roll in the forthcoming academic year. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
4. Children of staff who are employed at The March Church of England Primary School for (i) two or more years at the time at which the application for admission to the school is made, or (ii) have been recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Children whose parent/carer¹ regularly and verifiably attends at least once a month for at least one year preceding date of application at the Parish Churches of St Peter's Westhampnett or St Andrew's Oving². *For families who have recently moved into the area, documented evidence of attendance is accepted from their previous church in addition to St Peter's or St Andrew's.*

6. Children living within the boundaries of the ecclesiastical parishes of St Peter's Westhampnett or St Andrews Oving.
7. Children whose parent/carer¹ regularly and verifiably attends at least once a month for at least one year preceding the date of application who are, regular worshippers at a place of worship at a Christian or another major world faith which is a member body of the UK Inter-Faith Network². *For families who have recently moved into the area, documented evidence of attendance is accepted from their previous church.*
8. Other children by distance from the school, with priority for admission given to children who live nearest to the school as measured by using Ordnance Survey data to plot an address in this system. Distances are measured from the main entrance of the child's home to the main entrance of the school.

In the event of oversubscription within any category, place allocation will be decided by prioritising applications on the basis of measurement by using Ordnance Survey data to plot an address in this system. Distances are measured from the main entrance of the child's home to the main entrance of the school.

¹ Reference to parents includes legal guardians and applies to either or both parents, or a sole parent. Where only one parent/guardian satisfies a criterion, the application will be treated equally with one where the requirement is met by two parents.

² In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Tiebreaker

In the event that applicants cannot be prioritised using distance above because the distance measurements are the same, the school will use random allocation to decide which children will be offered the remaining places. This will be overseen by a person independent of the school and the applicants.

Parents applying under categories 5 or 7 must complete a church reference form (available from school) giving the name of the church leader to verify that the requirements of this particular category have been met and ensure that the form is returned to the school by the closing date for applications in the main round and at the time of application for in year places.

How to apply for a place

For a child to start at the school in September 2022, the parent/carer must complete the Common Application Form (CAF) available from the home local authority, that is the authority in which the child resides.

For West Sussex, applications can be made on line at : www.westsussex.gov.uk/admissions.

When you submit your application you will receive an email containing the information on your application as confirmation that your application has been received.

In order for an application to be considered as “on time” it must be submitted to the authority by published 15th January 2022 deadline. Please see WSCC website for details

If you have no option but to apply on a paper form, please telephone 03330 142 903 to request one. Please note that it is your responsibility to ensure that a completed form is returned to the school by the end of the school day **on the published deadline**. West Sussex does not encourage parents to return their paper forms directly to the Pupil Admissions Team unless they use Recorded Delivery post.

Shared parental responsibility and home address

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child’s residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. Any other

evidence provided by parents will also be considered in reaching a decision on the home address for admissions purposes. This may be necessary, for instance, where parents don't agree on the child's home address. Parents are urged to reach agreement or seek a Specific Issues Order from a court to decide which parent should or should not pursue an application. Where they do not, the admissions authority will determine the home address. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Families of Service personnel or crown servants

Families of service personnel with a confirmed posting, or crown servants returning from overseas, will be allocated a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Where the family do not yet have an intended address, or do not yet live in the area, the school will use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Parents may request that a Unit or quartering address be used as the child's home address when considering the application against their oversubscription criteria. The normal admissions round is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Late applications

Late applications, i.e. those submitted after the closing date, without good reason, will be ranked using the oversubscription criteria but follow those submitted on time.

If an application is submitted late

but (i) it is submitted before 12th February 2022

and (ii) there is a good reason (e.g. an application from a family who have moved into the area)

the application will be considered as if on time assuming independent supporting evidence (e.g. in the case of a house move, a solicitor's letter confirming exchange of contracts, or a signed tenancy agreement clearly showing the move took place after the closing date) is provided to show why the application was submitted late. If there is no proof, or the admissions panel does not consider the reason valid, the application will be treated as late. There is no separate right of appeal against a decision which deems an application as on time or late.

Full or part time attendance

A parent may apply for his/her child to start school for the first time in the September following the fourth birthday and, where a place is offered, may choose for the child to start full time from day one, or to attend on a part time basis until statutory school age, which will occur during the term following the child's fifth birthday. If a parent wishes their child to attend on a part time basis they must meet first with the Headteacher to discuss their choice.

Deferred entry

While a child is below statutory school age, the parent may choose to defer his/her child's entry to school until later in the school year. However, parents cannot defer beyond the point at which the child

reaches statutory school age, or beyond the start of the last term in the school year. The school operates on the basis of a three-term year.

Applications submitted on behalf of summer born children (born 1 April – 31 August)

A parent of a 'summer born' child entitled to start school in September 2022, may choose to delay his/her entry to school until September 2023, where the parent considers this arrangement to be in the best educational interests of the child. The parent may also choose to apply for the reception year in September 2023 rather than year 1. This will require the parent to make an application to the home local authority during the 2022 'normal admission round' and a request to the school for delayed entry, which if agreed, the child will not be considered for September 2021 place.

Please note: Although the Admission Authority may agree to a 'delayed entry' application being submitted for a reception place in September 2023, there can be no indication given as to whether a place will be available until the 2023 local authority 'normal admissions round' allocation exercise is complete. Parents are strongly advised to contact the school and their home local authority for further information if a delayed admission is being considered.

In-year applications

Requests for admission to reception, made after the normal admission round, i.e. after August 31 2022, and requests for places in other year groups, should be made direct to the school.

The in-year form may be submitted at any time but will only be admitted during school term time and within six weeks of the place being required.

Applications for children from Service families or Crown servants returning from overseas will be considered further in advance if an official letter is provided with the application which confirms a relocation date and a unit postal or quartering area address.

Waiting List

The school maintains waiting lists for each oversubscribed year. Children who are refused admission can, at their parents' request, be placed on a waiting list, which will be maintained and ranked in order according to the oversubscription criteria. Each time a name is added, the waiting list will be re-ranked. If a place becomes available, it will be offered to the highest ranked child at that time. Waiting lists will be shut down at the end of the academic year, parents need to notify the school if they wish their child's name to be included on the waiting list for the following academic year.

Appeals procedure for unsuccessful applicants

Parents of children who have been refused admission to the school have the legal right of appeal to an independent appeal panel. The reason for refusal of a place, and the process of appeal will be explained in the decision letter. Parents wishing to appeal the decision should contact the clerk to the appeals panel, c/o the school, within 20 days of receiving notification that their application has been unsuccessful, for the appeal to be heard as on time. Further information can be found on the WSCC website [here](#)

Children with Special Educational Needs and Disabilities

We request that parents inform the school of any known educational, physical, medical or social needs when expressing a preference for their child to attend The March. This will help staff to plan a smooth transition to the school where a place can be offered.
